

MILLENIA

MASTERCOOL by convair®

*The Convair Millenia Mastercool
- cooling that's fresh
healthy and natural*

Using the same principle as nature to cool, the portable Convair Millenia Mastercool evaporative air conditioner allows you to enjoy naturally cooled fresh air and gentle breezes wherever you want them.

The natural healthy air cooling system

- Environmentally friendly - cools without using harmful CFC gases
- Draws, filters and cools fresh air from outside
- Low running costs. Uses less than a 100 watts light bulb
- No recirculation of stale air

*The Convair MASTERCOOL
- cooling that's fresh
healthy and natural*

- 3 speed fan controls different cooling settings
- Delivers an air flow of 1,010m³ per hour, using less than 100 watts of power
- Will not rust or corrode
- 15 litres capacity water container - easy to fill and discharge
- Motorised auto-sweep for wide range effect
- Simple controls
- Quiet operation. Delivers excellent cooling to where you want it

The smartest evaporative air conditioner in the world

The Convair Mastercool provides in home or office performance which is far ahead of the rest of the field as its futuristic elegance suggests. At the very heart of the Mastercool is the sophisticated high-tech and ultra-powerful Stealth^{®1} fan, the result is more air flow than any other Slimline evaporative air conditioner in the world. The same goes for cooling power. With an economical 85 watts electrical input, Mastercool returns a massive 971 watts of cooling - much more than other slimline competitors.

*Ultra-powerful
Stealth[®] fan*

Cooling power that won't disturb your sleep

When designing Mastercool's Stealth[®] fan the objective was to maximise air flow and minimise noise. The result is a piece of technology that provides superior performance on both counts. Imagine cool, undisturbed sleep on the hottest of nights!

*Large controls.
Easy to read,
easy to use*

Cooling that's fresh, healthy and natural

Like all Convair evaporative air conditioners, Mastercool provides cooling that's as natural as a sea breeze. Convair evaporative air conditioner contains no harmful CFC gases; fresh air is drawn into the unit, then cooled as it passes through water soaked cooling pad. Nothing could be more natural or healthier.

*760mm
Ultra-compact*

For the technically minded

Air Flow	1,010 m ³ /hr
Cooling Effect*	971 watts
Room Area	15 - 18 m ²
Power Input	85 watts
Water Capacity	15 litres
Dimensions	- shipping 765 (H) x 565 (W) x 370 (D) mm - operating 810 (H) x 540 (W) x 430 (D) mm
Weight	- shipping 13 kg - net 12 kg

*Achievable with ambient 38°C DB, 21°C WB and room temperature of 27.4°C.
