

**MB50 - Europe's
#1 warehouse fan**

MADE IN THE UK

New MB50 variable
speed controller

Description

Europe's #1 range of man coolers are powerful, high performance fans designed to provide unrivalled amounts of air movement for cooling and ventilation. Mighty Breeze fans combine a tough ABS plastic body to give them the impact resistance demanded for industrial applications and a stylish appearance suited to more subtle applications such as events and retail. These adaptable fans come in two separate sizes, both available in 110V or 240V. With a variable speed control, improved efficiency the Mighty Breeze range are the best choice for any situation.

Ideal Applications

Spot cooling - Warehouses - Process Cooling - Event hire - Factories - Gymnasiums - Retail Applications
- Suitable for most Commercial and Industrial Applications - Music videos and film sets

Specifications - MB30
