

Power Duct Option

The MCM230PD offers the same great performance as the MCM230 but with the added versatility of both small 150mm exhaust that can be extended to 10m

The MCM230 standard (left) compared to the MCM230PD (right)

BROUGHTON
ELECTRO-AIR-PRODUCTS LTD

Description

The incredibly reliable and deceptively powerful MCM230 uses the very latest in EC fan technology to minimise noise and maximise efficiency. Can supply 6.7kW of chilled air to two areas at once or via 10M of ducting. Ideal for offices, data centres, events, retail and process cooling. Comes complete with 3m of exhaust duct, 1m of cooling ducting and a 2 year warranty.

Ideal Applications

Offices - Marquees - Hotels - Kitchens - Data Centres - Server Rooms - Portable Buildings - Laboratories - Hospitals - Gymnasiums - Schools & Colleges - Shops & Restaurants - Exhibitions - Oil Rigs
