

PA3215CW AIR CURTAIN

Item no. 19810

Document type: **Product card**
 Document date: **2019-07-03**
 Generated by: **Systemair Online Catalogue**

Description

Stylish air curtain for commercial premises, with remote and integrated control

- Recommended installation height 3,2 m
- Horizontal mounting

Application

PA3200C is a compact air curtain for commercial building entrances. The air curtain has an integrated control system and can also be remote controlled which makes it very easy to install and use.

PA3200C creates a temperature dividing air barrier that effectively prevents cold draughts and gives excellent heating comfort inside the door.

Design

With its timeless design PA3200C is suitable for all entrances. The air curtain has a control panel discretely integrated in the end, which makes cable routing unnecessary. The front can be finished in any colour to perfectly match the environment.

Technical parameters

Unit	
Type of installation	Horizontal
Type of heating	Water heat
Length	1578 mm
Height	256 mm
Depth	458 mm
Weight	30 kg
Max. installation height	3200 mm
Color casing	RAL 9016, NCS S 0500-N
Color, outlet grilles	RAL 7046
Protection class	IP20
Ambient working temperature range (dry conditions)	-20-30 °C
Air flow	
Air flow step 3	2700 m³/h
Air flow step 2	2250 m³/h
Air flow step 1	1850 m³/h
Sound data	
Sound power level LWA	73 dB(A)
Sound level step 3	57 dB(A)
Sound level step 2	52 dB(A)
Sound level step 1	46 dB(A)
