

SSG 630 SOCKET SILENCER

Item no. 95337

Document type: **Product card**
 Document date: **2019-06-20**
 Generated by: **Systemair Online Catalogue**

Description

Socket silencer for DVV

The socket silencers SSV are suitable for mounting on flat roofs. Casing manufactured from galvanized steel, insulation/baffles of mineral wool with a textile lining. For versions .../F (smoke extract) the baffles are secured with an additional metallic guard. The surface of the baffles is abrasion resistant. Silencers come complete with nuts at the bottom to fix further inlet-side accessories. Supplied with sealing between socket and fan.

Attention! Automatic shutters VKVE/F, VKV/F cannot be installed into the silencer.
